

ONLINE ORDERING SYSTEM

Dear Parents/Guardians

Please see below **NEW UPDATES** for the canteen for this school year:

- Ordering system **opens** at **4pm** each day (i.e.. Opens Sunday at 4pm to order for Monday, etc..)
- **Closes** at **8.30am** each morning to facilitate daily ordering.
- Orders have to be placed **DAILY**.
- Each child will have a daily subsidy allowance automatically added to their online account each day.
 - You will find this balance on the homepage of your APP once you log in.
- There will be 2 balances:
 - 1st balance = Cash Purse (What you 'Topped' up your account with)
 - 2nd Balance = Daily Subsidy (Swipe left on cash purse to view)

This daily subsidy allowance can only be used for **FOOD** items, you cannot purchase any treat items or drinks.

If you do wish to purchase a 'treat' you can still do so online but it will be deducted from your own 'Cash Purse'

To avail of this subsidy you must order online through the APP

This daily allowance will not carry forward

For any student (with the exception of 1st years) that didn't sign up last year, please come to the canteen to collect a FOB to register and activate your account.
