

GARDA VETTING EXPLANATION

Students who are UNDER 16 at the Time of the Work Experience Placement **DO NOT** require Garda Vetting.

Students who are between the ages of 16 and 18 who are looking to Work/ Volunteer in settings with Children and/or Vulnerable Adults **REQUIRE GARDA VETTING.**

Some Organisations / Schools require that the Vetting is Undertaken within their own Organisation so you need to ask them to clarify this initially and undertake the Garda Vetting with them if that is their requirement.

If the Organisation/School/Workplace is happy to accept Garda Vetting undertaken by Tipperary ETB, then please fill in the NVB1 and NVB3 Forms supplied and the student should bring the Forms to the TY / LCA Co-Ordinator.

Please supply a Photocopy of the Students Passport / Birth Cert so that we can process the application.
